COLLECTIVE PARTNERSHIPS

LAUNCHING

PLASTIC NEUTRAL CERTIFICATION

For Individuals, Businesses, Corporates or Towns

The Corporate example....

Offset corporate plastic consumption

A five star system that certifies the percentage of plastic waste that a company offsets

Partner with local communities to repurpose plastic in their environment

SOLUTION

ROAD TO PLASTIC NEUTRALITY

- Audit corporate plastic footprint
- Provide Shreders to remove waste equivalent to % of corporate plastic footprint
- Optional employee participation in select programs
- Make a real difference in the lives of the most in need
- Prevent waste entering the oceans & save marine life
- Highlighting your environmental credentials to consumers

USE CASE: SUPERMARKET

19.5m Plastic Bags
Est. 10 Tonnes/ month

=

10 Shruders will recover
10 tonnes of plastic
waste/month

+

Employ up to 30 people

IMPACT

- Fund PC Program's in Island Communities that have registered interest
 - Year 1: 10 x Shruder Machines @ \$25,000 / machine
 - Year 2-3: Ongoing management @ \$10,000 / machine
- Shruder training, build, support and servicing by Plastic Collective
